# Home Access

# ABOUT US

**Home Access** became a member of **THAN'S** in 2016, which was founded by Ms. Chea Khin in 1991. The development of the trading business focuses on the distribution of sanitary ware, kitchen ware, covering, water solutions, lighting, and office furniture.

As a result of a well built support chain from our suppliers, we are able to communicate our products knowledge before sales. This ensures proper usage and maintenance of the products. Our professional team is highly committed to providing the most efficient advice and outcome to build trust and maintain a long-term relationship with our customers.

With Cambodia's remarkable market growth and development, the transformation of **Home Access** focuses on bringing inspirations and quality services to offer a total solution from inspection to installation for people's unique lifestyle.

# MISSION

Our mission is to offer everyone the ability to create an environment that best suits their lifestyle.

# VISION

Our vision is to enrich stakeholders' lifestyles, offering inspirations and solutions through high quality products and services, transforming houses to homes.

# CORE VALUES

## **BOLDNESS**

The ability and confidence to be creative and take risks.

## **RESPECT**

Creating trust in the community and building strong relationships with customers and colleagues to achieve mutual goals.

## **OPTIMISTIC**

Understanding different perspectives, to be open-minded and confident about the company's future.

## **STEWARDSHIP**

Taking care of the company.

# OUR SHOWROOMS

We have established ourselves as the ideal home refurbishment company providing over 30 years of experience & service knowledge with an extensive range of quality products. With the success of our business we are expanding our quality services to other regions for Cambodian to access.

## PHNOM PENH SHOWROOM

Our main showroom offers a range of more than 20 international recognized brands within the 5 storey spaces, where customers can experience a one-stop shop solution.

## SIEM REAP SHOWROOM

A stylishly designed showroom that offers Home Access' exclusive brands. Customers can relax themselves in our in-house cafe when discussing about their next big projects.

# OUR SERVICES

**Home Access** provides luxurious high-end quality brands, offering customers a total solution that best suit their lifestyle.

**Home Access** customer service team is passionate to ensure our customers receiving the best products & services helping clients build their dream home.

Our elite engineering team can leverage their professional knowledge and technical skills, to ensure every customer receiving the best solution and service, from consultation to installation.

# OUR PRODUCT RANGE

Home Access provide home owners, contractors, and architects with mid to high-end products and solutions ranging from:

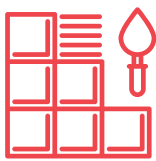

SANITARY  
WARE

KITCHEN  
WARE

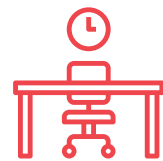

WATER  
SOLUTIONS

COVERING

LIGHTING

OFFICE  
FURNITURE

## B.O.D. STATEMENT

“ Our Home Access family believes in contributing to change in lifestyle and the transformation of homes. The company continues to challenge itself, introduces innovative and creative designs by understanding and anticipating customers’ needs that develop over time. We aim to further grow the company to be entrusted with the quality of our products and services we offer to our customers.

We demonstrate integrity by respecting, trusting, and empowering our employees. The company focuses on protecting the environment and quality of human welfare in our communities, by being actively involved as a company, giving time and resources to contribute to the sustainability of the places we operate in.

”

# SOCIAL RESPONSIBILITY

Home Access's culture is to create better living standards for the Cambodian lifestyle. To live better is to live together with other Cambodian people in a sustainable society, that allows all stakeholders to improve themselves and have equal opportunity to a better quality of life. Home Access has participated in donating to local & rural schools working with kids with special needs improving their infrastructure and improving their overall environment.

## HANDS OF HOPE COMMUNITY (TAKHMAO)

Home Access donated equipment and products to Hands of Hope Community, to improve their facilities and overall environment for their children well-being.

## Pursat Flood Relief

We support the families affected by recent floods in Pursat province, by providing them the necessities supplies to support them to quickly rebuild their homes with their families after this disaster.

## Anugsnoul State School

We contributed in the renovation project for Anugsnoul State High School campus, by sponsoring quality products to ensure students' health, well being for their future successes & well being!

# SANITARY WARE

Find your comfort to relax and freshen up after a long day.
